

Press Release

iMeetingX – The brand-new way to plan and perform meetings or workshops

Steyregg, Austria - 19th December, 2016

Techno-Grafik, the manufacturer of iTaskX, is delighted to announce its brand-new application for Mac - iMeetingX.

iMeetingX is an easy-to-use application that helps to get meetings or workshops done. Whether you're planning your meetings, sending invitations, managing your action items, decisions and notes during a meeting or sending beautiful meeting minutes, iMeetingX supports all these tasks.

If you manage meetings with one person or 30 people, iMeetingX will ensure you can see who attended and all the to-do actions in a highly intuitive interface.

iMeetingX is the perfect tool for everyone who has to plan, manage and take control of meetings and workshops.

iMeetingX Key Features:

- Create and send invitations and meeting minutes with a single click
- Unlimited meetings in a single project file
- Import participants from macOS Contacts or iTaskX
- macOS Calendar integration
- Define unlimited meeting types
- Built-in and custom agenda templates
- Support for Objectives and Non-Objectives
- Default and custom filter for your to-dos
- Attachment support for invitations and meeting minutes
- Add unlimited action items, decisions and notes to your meeting minutes
- Set due dates to ensure that nobody forget important deadlines
- Support for the new MacBook Pro's Touch Bar

System Requirements

iMeetingX works with all Intel-Macs on Mac OS X 10.10 Yosemite, 10.11 El Capitan and 10.12 macOS Sierra.

Prices

- 1 User \$ 60,-
- 5 User \$ 275,-
